# On the Course with Doyle

Hopefully February will bring some warmer temperatures which will be a very welcome change. Regardless of the weather our plan for the golf course in February will be similar to last years plan with a few modifications. First on the list is to clean up any weeds that the fall pre-emergent application did not prevent or where there was no application made. The cold and windy conditions last month did not provide appropriate spraying conditions therefore the majority of these applications will be done towards the beginning of the month. Some afternoon closures of nine holes may be necessary to accomplish this due to the herbicides ability to have an adverse effect on overseeded areas. Next will be to finish off any tree or plant trimming that may need to be done prior to spring. Also the series of pre-emergent herbicide applications may begin towards the end of the month with all Bermuda grass areas being targeted for control of unwanted summer weeds such as Crabgrass and Goose grass. The temperatures throughout February will dictate if the application will be made this month or next. Cooler temperatures throughout the month could delay the germination period of the targeted weeds therefore the application would be postponed by one to three weeks. Fairways, tee tops, and the areas around greens will receive the added benefit of fertilizer at the same time. Some of the more weed prone tee surrounds will be sprayed with a pre-emergent herbicide in an effort to gain control over weed populations in these areas. Thank you and have a great month.

Happy Valentines Day

# Straight from Carl's Desk

We hope everyone has had a great start to 2018. It seems like just yesterday we were bringing in the new year and now February is already here. This month should be a busy month for us as we have a few groups that will be visiting. It is strongly encouraged to make a tee time before coming out to play, just because you play every Thursday at 10:00 does not mean that you will be able to play at that time. We apologize for any inconvenience this might cause you.

Please help Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or using Carl Bucks, please wait in line to make sure the pro shop attendant records it properly. A lot of times it is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you decide to walk to play your round of golf and did not pay for a cart, please do not ride in the cart with someone else. If we see you riding in the cart, we will charge your account the cart fee. We thank you for your understanding and cooperation.

Have you been a member for at least a year and want a \$50 credit on your account? We have given about 150 members this credit already! All we need is a credit card number to pay your account balance on the first of each month and an e-mail address for you to receive your statement and newsletter by e-mail only. Then you will receive \$50 credit. Please let us know!

We need your help! Please drive the carts using the 90 Degree Rule. More importantly please keep the carts off the green slopes as much as possible. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. We thank you for your cooperation.

If you receive your statement and newsletter by e-mail and still receive it by mail and don't want to or need to, please let us know so we can stop sending it in the mail. Our goal is to have everyone that has e-mail to receive their statement and newsletter by e-mail only. If you don't have e-mail, no problem. We thank you for your help.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
