We would like to thank everyone for their support of The Country Club. Every dollar you spend at The Country Club, goes right back into the Club in some shape or form. Help us make The Country Club better. Thank you for your continued support.

# On the Course with Doyle

Higher temperatures and an extreme lack of rainfall resulted in difficult growing conditions last month. Since our irrigation system is only a single row design the edges of several fairways suffered significantly as well as some of the green and tee surrounds. Our second fertilizer/pre-emergent application was made toward the end of the month and fortunately we received some needed rainfall two days after which helped tremendously.

On the 15<sup>th</sup> and 16<sup>th</sup> of this month we will be aerating greens. We only plan on doing 9 holes each day however we may try to do more the first day due to the overall green size being smaller on the front nine. The week following the greens we hope to start aerating select fairways and we will be increasing fertility on these holes.

During adverse weather conditions like we had last month please keep carts out of these stressed areas as much as possible and please use the 90 degree rule. Thank you for your help with this during these tough times.

# **Straight from Carl's Desk**

We hope everyone is healthy and remaining safe during this difficult time! We want you to know that we appreciate all of our members and guests for their continued support of The Country Club.

We have new regulations for cart usage at the golf course. Family members can ride together and if the driver always drives and the passenger always rides, then they can ride together. We encourage everyone to ride with someone if at all possible. We would like to reduce the amount of carts that go out on the course.

Please help Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Golf cart traffic causes more damage than anything else on a golf course. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
