On the Course with Doyle

We have finally made it over the hump of summer. I am sure looking forward to some cooler temperatures. The high heat mixed with some wet conditions along the way made for more than ideal conditions for disease development over the past couple of weeks. Obviously, the greens are our main priority and we have managed to keep it under control with minimal turf loss. Another problem that was encountered last month is the presence of higher numbers in the mole cricket population. We had multiple hatch periods this year and populations have reached unacceptable levels in areas. Mix that with this insects ability to develop somewhat of a resistance to certain pesticides and we are left with many of these pests wreaking havoc on the course. We have been treating areas where the mole crickets are at unacceptable levels with decent success and we will continue this until we have them back under control.

Straight from Carl's Desk

We hope everyone is healthy and remaining safe during this difficult time! We want you to know that we appreciate all of our members and guests for their continued support of The Country Club.

We need your help. We are allowed to have two players per cart once again. We know everyone has enjoyed being able to ride in a cart by yourself, but we will require everyone to ride with someone. Unfortunately, the golf course does not like it. Golf carts do more damage to the course than anything else. If you elect to ride by your self, you will have to pay the single rider surcharge of \$5. We need to reduce the amount of carts on the course, for gas usage and wear on the carts and the course as well. Thank you for your help, understanding and cooperation.

Please help Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Golf cart traffic causes more damage than anything else on a golf course. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
