# On the Course with Doyle

I never complain too much about rain, but last month we sure had our fair share at times which resulted in some extremely wet conditions on certain holes. I would like to thank everyone that adhered to the cart rules. That really helped to avoid some nasty tire tracks on these holes. Unfortunately, there are always some people that completely ignore signs, marking post, and ropes. Once the rain subsided, we made our first pre-emergent application to control Poa Annua. We have not set a firm date for overseeding greens at this time but will be done either the last week of this month or the first week of November. Ryegrass was in extremely short supply this year therefore we are still trying to secure enough for tees and the driving range tee.

Finally, my staff has done an outstanding job this year. For such a small number they can sure accomplish a lot. Well done gentlemen! Thank you and Happy Halloween.

**Please Call Ahead for Tee Times**

# Straight from Carl's Desk

We have two events that will affect tee times this month. We have The Rountree on Saturday and Sunday, October 23rd and 24th that will limit tee times in the morning. This tournament is open to anyone with a handicap. We have a High School District Golf Tournament on Tuesday, October 26th that will limit tee times in the morning. As always, it is strongly recommended to make a tee time before coming out to play, just because you play every Thursday at 10:00 does not mean that you will be able to play at that time.

We need your help and know everyone has enjoyed being able to ride in a cart by yourself, but we will require everyone to ride with someone. Unfortunately, the golf course does not like it. Golf carts do more damage to the course than anything else. **If you elect to ride by yourself, you will have to pay the single rider surcharge of \$5. If we see you riding by yourself when you could have rode with someone else, we will charge you the single rider fee of \$5 on your account.** We need to reduce the amount of carts on the course, for gas usage and wear on the carts and the course as well. Thank you for your help, understanding and cooperation.

Please help Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Golf cart traffic causes more damage than anything else on a golf course. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me. If I am not around, please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
