# On the Course with Doyle

Happy New Year. After a wonderful holiday I look forward to a new year with a refreshed opportunity to continue to improve upon the course. Last year we made it through the summer months without any significant damage that can occur such as drought, insects, and disease which has left us better prepared for the rest of winter as well as a head start with spring transition as opposed to years past. Everyone has contributed to improved turf health greatly with better golf cart driving habits and this is appreciated tremendously by us and the turf.

This month we will continue to chase leaves around and keep them removed as often as possible. The main item on the agenda for this month is irrigation repair. We continue repairing leaking sprinkler heads and valves as well as relocating some sprinkler heads for more optimized coverage. Lastly, we will continue to treat the course for poa annua. Due to some rather windy weather last month there was very little spraying done so we will be working diligently to finish this project. Thank you and have a great month.

# Straight from Carl's Desk

I hope everyone enjoyed their holidays and hope that you are ready for a new year. We are looking forward to a great and exciting 2022 at The Country Club.

We want you to know that we appreciate all of our members and guests for their continued support of The Country Club. We don't have any outings this month that will affect tee times. Please remember to call ahead for a tee time if you plan on playing golf. Just because you play every Thursday at 10:00 does not mean that you will be able to play at that time.

The Country Club will go for sale by online Auction from January 18th and end on January 20th. If you, or someone you know, would like to register as a bidder please reach out to Carl and he can give you the instructions.

Golf carts do more damage to the course than anything else. **If you elect to ride by yourself, you will have to pay the single rider surcharge of \$5. If we see you riding by yourself when you could have rode with someone else, we will charge you the single rider fee of \$5 on your account.** We need to reduce the amount of carts on the course, for gas usage and wear on the carts and the course as well. Thank you for your help, understanding and cooperation.

Please help Doyle, **KEEP THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Cart traffic causes more damage than anything else on a golf course. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to call me at 386-623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.

Carl Ste-Marie
