THANK YOU

On the Course with Doyle

At this point last month I was consumed with the thought that a severe storm was inevitable, however little did I know that the complete opposite would occur and we would have an entire month without rainfall. The month proved to be challenging but we managed to irrigate enough to keep the turf reasonably healthy with the exception of poorly irrigated areas. Until we receive some significant rain it is extremely important to avoid cart traffic in these locations to avoid additional damage that could potentially be visible throughout the winter. Your cooperation is vital at this point and thank you in advance.

As overseeding is scheduled for November 4th and 5th we will begin by spraying pre-emergent at the beginning of this month. We will also begin to increase mowing heights of non-overseeded areas such as fairways and green and tee surrounds.

Finally, since the rule change that now allows the flag to remain in place while putting I have noticed an increase in wear around the hole locations, particularly the immediate cup edge. Please be careful to remove the ball without dragging hands across the edge and for those with larger hands please remove the flag prior to retrieving the ball. Thank you and Happy Halloween.

Straight from Carl's Desk

We have four events that will affect tee times this month. We have The Gator on Tuesday, October 8th that will affect times a little in the morning. We have the Elks Club on Saturday, October 19th that will affect times some, but not exactly sure until we know how many are playing. We have The Rountree on Saturday and Sunday, October 26th and 27th that will affect tee times in the morning and then we have the NERA on Saturday, November 9th that will close the course until 1:00 PM. Please remember to always call the pro shop to confirm that you can or can't play on these days. We apologize for any inconvenience and we thank you in advance for your understanding.

Mark your calendar for The Rountree on October 26th and 27th. This is a great event and sponsorships for The Rountree Board are available. If you are interested or have any questions, please give me a call.

If you plan on playing golf, please call ahead for a tee time. Just because you play every Thursday at 10:00 does not mean that you will be able to play.

Thank you for helping Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Please keep up the good work. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or with Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me or please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
