On the Course with Doyle

When I first sat down to type this newsletter my mind was trying to focus on future agronomic plans for the course such as overseeding, fertilization, raising mowing heights, and pre-emergent applications however I just could not get this looming hurricane out of my mind. Flashbacks of unfortunate past experiences here involving these storms kept nagging at my attention. Since I've been superintendent here I have encountered several of these storms with no good story to tell other than the fact that we were successful at correcting the damage that occurred. It was not easy nor was it fun but we remained diligent and got the job done. If we do receive a severe impact from the storm rest assured that we will do our best to recover as quick as possible. For now we will do everything that we can to prepare for it. Maybe with a little luck the forecast will be wrong and this monster will stay out at sea and our Labor Day will be a pleasant holiday for everyone in the United States. Thank you and stay safe.

Straight from Carl's Desk

We have one outing that will affect tee times this month. We have the Big Bend Seniors on Thursday, September 19th. This will close the course until 1:00 PM. We apologize for any inconvenience and we thank you in advance for your understanding.

Mark your calendar for The Club Championship on September 14th and 15th and The Rountree on October 26 and 27th. Sponsorships for The Rountree Board are available. If you are interested or have any questions, please give me a call.

If you plan on playing golf, please call ahead for a tee time. Just because you play every Thursday at 10:00 does not mean that you will be able to play.

Thank you for helping Doyle out by KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES as much as possible! Please keep up the good work. Golf cart traffic causes more damage than anything else on a golf course. Please fix the ball marks on the greens, yours and others, and please fill in all the divots with sand. This is a very important time for the golf course and we need your help! We thank you for your cooperation.

When buying something from the pro shop on your account or Carl Bucks, please make sure the pro shop attendant records it properly. It is real hard for them to remember who it was that made the purchase and what it was they bought. Thank you in advance.

If you ever have an issue with something, please don't hesitate to come and see me or please call my cell phone, 623-2833. I always look forward to talking to all of you. We thank you for your cooperation and support.
