Straight from Carl's Desk

I think we are seeing the light at the end of the tunnel, hopefully it's not a train.

We want you to know that we appreciate all of our members and definitely need your support during this time. Always, remember that we will do whatever we can to make The Country Club the best it can be, but we can't do it without your continued support.

Thank you for helping Doyle out by **KEEPING THE CARTS OFF THE FAIRWAYS & GREEN SLOPES** as much as possible! Please keep up the good work. Golf cart traffic causes more damage than anything else on a golf course. We thank you for your cooperation.

On the Course with Doyle

Unfortunate times have fallen upon a large part of the world recently and this makes it difficult to discuss the agenda of the golf course while knowing there are so many folks that have been adversely affected by this invisible enemy. So many lives lost, so many families burdened by loss of employment, and now we all are living in a world of uncertainty. I feel that now is not the appropriate time to go in to any detail of the golf course operations other than the fact that we will continue to do what is necessary with hope that this virus will disappear soon and everyone in the world can recover. Stay safe and God Bless.
